

## **Mimi Halgren, Chapter Treasurer**

Many of you know me from SDC where I held numerous positions on the Board and have worked on several committees. I am currently the President of ASC and Treasurer of the local chapter. My experience in Studebakers goes back to when Bob gave me a '50 Starlight Coupe project car for my fiftieth birthday which we restored. In the intervening years we have owned numerous Studebakers, both pre-war and later models.

I believe in giving back to my community and my Studebaker Community is no different. On a personal note, I love helping Bob work on the cars, gardening and learning about nutrition. We have two chihuahua mixes that you may see in pictures occasionally.

Bob builds us beautiful cars that I am lucky enough to be able to drive. My favorite Studebakers to drive right now are our '58 President and our '63 Avanti.
