[SAN DIEGO ASSOCIATION OF CAR CLUBS](#)

The [San Diego Association of Car Clubs](#) (SDACC) meeting 02/07/23 was held at the San Diego Auto Museum Balboa Park. The 3 main topics; 1. The United Lowriders Coalition requested all car clubs support of CA AB436 proposed bill to repeal the ban in California on Lowrider Cruising Culture. 2. CA AB220 to move smog exception from 1975 to 1983 vehicles failed to pass, in Sacramento. The bill would have helped to preserve more collector vehicles as a part of California motoring history for all to enjoy. 3. CA SB301 passed, in Sacramento, Zero-Emission Aftermarket Conversion Project (ZACP) will provide up to \$2,000 rebate to convert an existing gas engine vehicle to an electric engine vehicle. But the cost to convert a vehicle to EV could cost up to \$30,000 including the purchase of a vehicle.

Carmen Cooley from the JA Cooley Museum 4233 Park Blvd, SD, invited car clubs to the Museum as venue for visits/meetings. VP SDACC "Charger Steve" daughter Mercedes will be coordinating reservations for the "car Corral" for Cajon Classic Cruise Nites, Wednesdays 5-7:30pm thru October 2023. This will be a reserved area for car clubs to promote & show case their members classic cars on Wednesdays nights to the general public.

The SDACC will be meeting every 1st Tuesday of the month through October 2023 5-7pm except July 2-5pm at the Jolly Joker Tavern, 5225 Kearny Villa RD, SD, open to all vehicles, clubs & individuals.

A variety of car show flyers will be available at the next SD Studebaker Drivers club meeting on 02/11/23.
